Dr. Babasaheb Ambedkar is a great nation builder, the architect of Indian constitution, oratory prolific writer and speaker with prodigious ideas. He knew that without progress last of society nation cannot be build strong, healthy and wealthy. He stood for all scientific and activities which enhanced the cause of human happiness and progress. Till date Dr. Babasaheb Ambedkar's contribution was highlighted and restricted up to SC, ST, and OBC; and enormous contribution to the nation as nation builder has been neglected and not implemented in this destitute nation. We have come long way from 1950 to 2023, near about 73 years, dream and vision of Babasaheb is unfulfilled. This paper highlights to achieve the dream and vision of Dr. Babasaheb Ambedkar as a nation builder; one must need to strive in different areas ranging from social, political, economics, religious, history, culture, journalism, administration, education, science, commerce, management, library and literature. He achieved a unique position in the modern Indian social and political ideology. Dr. Babasaheb Ambedkar's contribution in all this fields is something which ought to make known to our generation.

Keywords: Revolutionary prolific writer, prodigious ideas, last strata, destitute nation, ideology,

Babasaheb Ambedkar, A Great Nation Builder:

Dr. Babasaheb Ambedkar (14th April 1891 to 6th December 1956) is the father of Modern India. In true sense, he is great nationalist who said, "I am the first Indian and last Indian". He occupies the unique position in the modern Indian social and political ideology. He is a social, cultural, economical and historical reformer who changed thousands years old social, political, economical, cultural and historical system of India by his tireless work and leadership. He was a genius and intellectual who stood for radical changes in the Indian Society to achieve freedom, fraternity, equality, justice and equal opportunity to Indian citizens on which he built as SOVEREIGN, SOCIALIST, SECULAR DEMOCRATIC AND REPUBLICAN. He is the father of Indian Constitution. His contribution in the making of Constitution of India is phenomenal that became one of the noblest and supreme constitutions in the world. Dr. Babasaheb Ambedkar is a great nation builder, the architect of Indian constitution, oratory prolific writer and speaker with prodigious ideas. He knew that without progress last of society nation cannot be build strong, healthy and wealthy. He stood for all scientific and activities which enhanced the cause of human happiness and progress. Till date Dr. Babasaheb Ambedkar's contribution was highlighted and restricted up to SC, ST, and OBC; and enormous contribution to the nation as nation builder has been neglected and not implemented in this destitute nation. We have come long way from 1950 to 2023, near about 73 years, dream and vision of Babasaheb is unfulfilled. It explores to achieve the dream and vision of Babasaheb Ambedkar as a nation builder; one must need to strive in different areas ranging from social, political, economics, religious, history, culture, journalism, administration, education, science, commerce, management, library and literature. He achieved a unique position in the
