That, We are going to conduct new activities through this organization. Good mental health is necessary for any work to be done well. Psychological counseling is important for this health. Mental problems can be resolved through counseling. In Inaugural speech of this workshop Mr. Milind Balkhande, Secretary Pravarsen Shikshan Sanstha, Nagpur expressed the opinion that development should be accompanied by physical development in today's stressful life, mental health should be good. Chief guest of this workshop Hon. Dr. Dhananjay Sontakke, said that students of this village who have energy can fulfill their big dreams. Today, women must speak up. You should ask your questions. Men are also persecuted in the patriarchal system. In the 1960s, self-righteousness emerged, expressing the view that it was desirable to see the world through women's eyes. The chief guest of this workshop Hon. Dr. Sumedha Wankhede, spoke "we are guiding rural students who do not know about the future: Common people face endless problems, the aim of our organization is to get to the root of that obstacle and solve that problem". The introduction of this program Hon. Prof. Officiating Principal Mr. Sanjay Nandagawali said that today the mental pressure and mental balance is deteriorating in the minds of the new generation. The new generation soon gets angry so they take extreme measures.

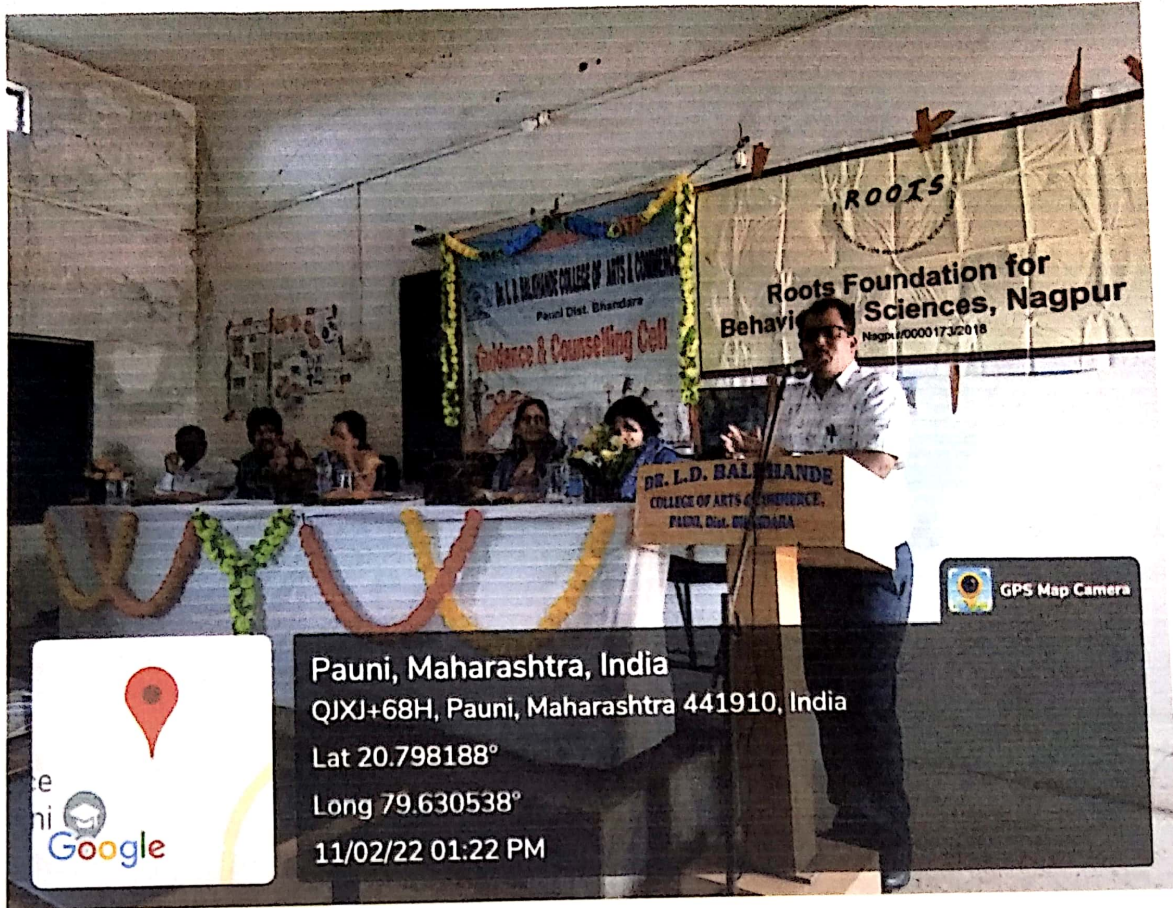

Psychological counseling is necessary for that. The program was attended by the faculty and non-teaching staff of the college as well as the students of the college. This program was compared Dr. Jagdish Jangale and proposed the vote of thanks by Prof. Nandkishor Singade.
