One Day Program on

‘Direction of Women Transformation’

Report

Dr. L. D. Balkhande College of Arts and Commerce, Pauni organized a one day lecture on International Women’s Day ‘**Direction of Women Transformation**’ on 8th March 2023. The program was chaired by Prof. Bhagwant Shobhane and the chief guest of the programmed was Prof. Ms. Suchita Ramteke, HOD Sociology Department, (Late Harish Chandra Sawarbandhe College, Pauni. Dist. Bhandara) NAAC Coordinator Prof. Mangesh Wahane, and N.S.S. Head Prof. Nana Jadhav, Prof. Chitra Chandurkar and Co-ordinator of the Program Dr. Swati Shambharkar (Librarian) were present. The chief guest of this program Ms. Suchita Ramteke, while enlightening the students, reviewed the rights & consciousness of women and the articles mentioned in the Indian Constitution & emphasized on the activities of International women. While speaking, she further said that a woman who is awoken also needs time. As the boundaries of her consciousness matured, she moves toward prosperity. While in the introduction Dr. Swati Shambharkar reviewed the lift of a woman & it is seen that it is expressed through the responsibility of her family consciousness; a woman makes the entire family self-sufficient. She is not only the support of the family, but as her circle expands, she is extending branches of the world family; she has flourished in the esteemed environment of the vivid dreams of her senses. Prof. Bhagwant Shobhane, in his presidential speech, said that while appreciating the work of domestic women, associated them with national successful products, we consider this wealth of women only as a family and not contributing to nation building, but this is a wrong position. The value of a woman’s work, whether educated or uneducated, is paramount to national productivity. The program was anchored by the Prof. Vilas Meshram and proposed the vote of thanks by Prof. Mangesh Wahane. The program was attended by teaching and non-teaching staff as well as 78 students of the college.
