## Innovative Agriculture Guidance Workshop

### Report

Innovative Agriculture Guidance Workshop was organized from 28th March to 29th March 2023. The inaugural chairman of this agricultural guidance workshop was Hon. Dr. Sanjay Nandagawali officiating Principal and the main guest of this workshop was Mr. Aditya Ghogare, Taluka Agricultural Officer Pauni, along with prof. Nandkishore Singade Vice Principal and Workshop Coordinator, Prof. Mangesh wahane IQAC Coordinator, Hon. Dinesh Katekhaye Agriculture Board Officer Pauni were present there.

On Sustainable Farming and Natural Farming for Environment Hon. Agriculture Officer Mr. Aditya Ghogare told that sustainable agriculture aims to create a resilient and sustainable agricultural system that supports the environment, the health and well-being of farmers and communities. By adopting sustainable farming practices, we can create a better future for ourselves and future generations

On the subject of innovative methods in agriculture, Hon. Mr. Dinesh Katekhaye Mandal Agriculture Officer Pauni said that this system requires appropriate technology and equipment in natural or artificial ponds, fresh water ponds or sea water. In this type of farming, aquatic animals are developed through artificial breeding and stocking of fish. Production of aquaculture, similar species of animals, their meat or by-products helps to enable and develop agriculture to a large extent. 'Fishing' is a good example of this. Such guidance was given to the students.

On dated: 29 March 2023 Mr. Lopchand Shahare Agricultural Assistant Pauni guided on "Organic Farming". Also in the second session, Hon. Mr. Bhushan Deshmukh Mandal Agriculture Officer Vadsa while guiding on the topic of new creative agricultural ideas said that the youth should develop their new creative ideas by getting rid of the misconceptions we have about becoming an entrepreneur. He appealed to the students that they should try to become successful entrepreneurs. Also gave information on new concepts and products power through power point presentation. This workshop was conducted by Prof. Vilas Meshram Head of Marathi Department and Prof. Mangesh Wahane I.Q.A.C. coordinator proposed a vote of thanks. Dr. Swati Shambharkar prof.Nana Jadhav Dr. Sanjay Bagde Prof. Ashish Pillewan, Prof. Sanghpal Ramteke and Myagzin Meshram worked for this workshop.
