Curriculum Feedback Analysis of Stakeholders
(Alumni, Parents, Teachers & Students)
REPORT: 2018-19

Collecting feedback from stakeholders is very important for the success of each organization. The college seeks feedback from all stakeholders, including students, alumni, teachers, and parents, based on the curriculum. All these responses were analyzed and action was taken.

Student Feedback:

The following facts are emerged from the feedback received from the students about the current curriculum and syllabus taught in the college.

1. First, students are contented with the helpful nature of the teachers.
2. They have understood complications of syllabus in the lecture.
3. According to the student's teachers have detail knowledge of the subject.
4. Teachers motivated students for group discussion and for participation in the programs.
5. Teachers provide study materials, suitable references, PPT's etc.
6. Modern tools are used while teaching.

Alumni Feedback:

Alumni Analysis of Alumni Feedback for this year reveals the following.

1. Alumni feel proud being students of this institution.
2. Alumni are willing to contribute for the development of the institute. Also they are satisfied with activities which are held for the development of the student.
3. According to them this is the best institute in town which works for the development of rural students.
4. Alumni are satisfied with teaching standard assessment and examination system. They liked the course content which is useful for the employment.

Parent Feedback:

As the most important stakeholder of the organization the feedback of the parents are collected regularly especially on the aspects of the curriculum. An evaluation of the feedback compiled for the year revealed the following information.

1. Most parents are satisfied with career-oriented programs and curriculum related activities conducted by the institution.

2. According to most of the parents, teachers have good knowledge regarding their respective subject.
3. Parents are satisfied with the facilities and the services provided to the students.
4. Most parents are contented with the learning resources provided by the institution such as library, internet, and computer.
5. According to parents through NSS programs, college organized social and educational activities which are helpful for the overall development of the students.
6. Most of the parents are pleased with the security cells and there is regular communication between parents and teacher as they said.
7. Parents are happy with the cultural programs.

Teachers Feedback:

The most crucial element in the development and application of a curriculum is the teacher. As a result, it is crucial to consider the teachers' input about various curriculum components.

1. Most teachers are pleased with the curriculum that is finished in the allotted time. They are free to use innovative instructional methods.
2. The curriculum material and related reference materials have left all the teachers happy.
3. The extracurricular activities meet the needs of the teachers.
4. All educators are willing to instruct and are content with the availability of text and reference books.
5. According to most of the teachers, the curriculum aligns with the jobs-oriented curriculum. Furthermore, research is supported by the environment.

Action taken: -

1. As the college is located in a rural area, related skill development programs will be organized.
2. New initiatives will be taken for overall development of the student. A cell is formed for the competitive examination in the college and related books and guidance is being given.
3. Unit test, oral presentation, surprise test, internal practice exams etc. are taken as an impartial assessment.
