

Curriculum Feedback Analysis of Stakeholders
(Alumni, Parents, Teachers & Students)
REPORT: 2020-21

Collecting feedback from stakeholders is very important for the success of each organization. The college seeks feedback from all stakeholders, including students, alumni, teachers, and parents, based on the curriculum. All these responses were analyzed and action was taken.

Student Feedback:

The following facts are emerged from the feedback received from the students about the current curriculum and syllabus taught in the college.

1. Most of the students are satisfied with the course which is helpful in their life to get success.
2. Students are pleased because the teachers complete the syllabus within time.
3. Students are happy with extra curriculum activities such as field visit, project, Quiz, assignments and presentation.
4. According to students, teachers used various teaching aids like projector, reference books, handouts, seminar, tutorials, group discussion etc.
5. According to most of the students, teachers have good subject knowledge and they are punctual in the class.
6. Students are satisfied with course content which is easily available in the library and the syllabus is job oriented.

Alumni Feedback:

Alumni Analysis of Alumni Feedback for this year reveals the following.

1. Most of the alumni feel that because of the institute they made their life.
2. Alumni are contented with the ethics which college taught them, because of it they become a good citizen.
3. They like the activities which are held for the development of the student.
4. They show willingness to contribute for the development of the institute.
5. According to alumni the campus environment is conducive for the development of student and the college provides enough amenities.
6. Alumni are satisfied with teaching standard and examination system. They liked the course content which is useful for the employment.

Parent Feedback:

As the most important stakeholder of the organization the feedback of the parents are collected regularly especially on the aspects of the curriculum. An evaluation of the feedback compiled for the year revealed the following information.

1. Most parents have good opinion about competence of teachers; according to them teachers have good knowledge regarding their respective subject.
2. Most parents are satisfied with career-oriented programs and curriculum related activities conducted by the institution.
3. Parents are satisfied with the infrastructure and the facilities provided to the students.
4. Most parents are pleased with the learning resources provided by the institution such as library, internet, and computer.
5. Parents have satisfactorily observed that their children are learning the values and culture through NSS programs.
6. Most of the parents are satisfied with the job oriented education and career guidance programs which are held in the college.
7. Parents are happy with the regular communication between parents and teachers.

Teachers Feedback:

Teacher is the most important factor in curriculum design and implementation. Therefore, the feedback of the teachers on the aspects of the curriculum is very important.

1. Most of the teachers said that the syllabus is synchronized with the jobs-oriented syllabus. And the environment is in favor of research.
2. All the teachers are satisfied with the curriculum content and the corresponding reference material.
3. Most of the teachers are satisfied with syllabus which completes within the available time frame. They have freedom to adopt new techniques of teaching.
4. Teachers are satisfied with the activities related to the college curriculum.
5. All the Teachers are satisfied with the availability of text book & reference book and they are willing to teach.

Action taken: -

1. New initiatives are taken for overall development of the students, various cells are formed and activities like guidance on personal development, career counseling etc., are arranged in the college. As the college is in a rural area, skill development programs will be organized.
2. A career guidance cell is formed for the competitive examination in the college and related books and guidance is being given.
3. As the students suggested for P.G. courses.
4. New courses are applied for skill development in the students
