

Dr. L. D. Balkhande College of Arts and Commerce, Pauni Dist.- Bhandara

Career Guidance & Counseling

Dr. L.D. Balkhande College serves the society at large to the students from rural area. It has provided higher education to rural youth and has a great reputation regarding academic excellence. The College belongs to rural area and caters to the needs of rural youth. "Career Guidance and Counseling Cell" of the College plays an import role in finding suitable job opportunities for students.

Career Guidance and Counseling Cell is established as per Guidelines by UGC. This cell is established as Equal Opportunity Center in College to address the diverse socio-economic challenges and geographic backgrounds of the heterogeneous population of students coming to the College. Availability of relevant and accessible information coupled with professional guidance to utilize the same can result in better career achievements outside the classrooms and help in the healthy progression of students. This counseling cell in a College is a resource center of information, guidance and counseling with free accessibility and internet based global connectivity and exchange of information on professional placements.

Aims and Objective of Counseling Cell

- To provide information to the students regarding available opportunities for building career.
- To organize motivational lectures for students to make them aware about various competitive examinations, patterns and preparations.
- To organize seminars and guidance workshops for informing students about the emerging professional trends and events, job profiles, leadership roles, entrepreneurship, market needs and risks.
- To promote discipline, healthy outlook and positive attitudes towards national integration and removal of narrow provincial preferences and prejudices.
