Research Cell Objectives

Aims and Objectives

The research policy aims to create and support a research culture among its staff and students and leverage it for enriching and enhancing the professional competence by:

1. Providing the required resources and appropriate facilities for smooth conduct of Research
2. Guiding faculty members in the effective integration of research projects with the regular curriculum implementation and enrichment activities
3. Identifying, collaborating and establishing linkages including MOUs with National/International/Govt./ Non-Govt./ Industry/ Research organizations and Local agencies to benefit from the activities and programmes conducted by those organizations for widening the scope of the research opportunities, obtaining sponsorships and funding options available.
4. Encouraging and facilitating the publication of the research work/projects in reputed academic journals.
5. To organize various workshops/ seminars/ trainings related to promotion of research.
6. To publish research material in appropriate media and to make available such published information to the end users.
7. To keep track and record of publications made by the faculty
8. To publish an ISSN/referred research journal of the college on annual basis.
9. To create awareness, interest and opportunities in Research and Development among the faculty member.

10. To encourage staff members and students to publish papers in UGC refereed journals, journals with high index, and International reputed journals.
11. To motivate the faculty for their professional growth by adoption of research.
12. To facilitate the growth of research activity among the academic community, including developing mechanisms and targets to achieve this.
13. To coordinate faculty level workshops and staff development activities on research-related issues.

Output of the efforts

- The faculty members have participated and presented papers in national and international conferences.
- Faculty members have published research papers in Journals of high impact factors.
- The faculty members have published learning materials and books.
